About the demo Eggs

A great way to purchase a gently used cooker that will last a lifetime, demo EGGs will be used for one day during DizzyFest. All EGGs include a temp gauge, dual function metal top, stainless steel draft door and mesh screen. To reserve your EGG we require a \$100 non-refundable deposit. Your deposit will be charged on March 5th or the date of reservation, if after March 5th. The remaining balance will be charged 3 days prior to DizzyFest. All demo Eggs must be picked up by 6pm on the day of DizzyFest, or special arrangements need to be made to pick up the following week. You will need at least 36" vertical clearance in your SUV, minivan or pickup truck. Loading will not take place until cookers have cooled. Please be patient.
