

The Dizzy Pig® Lineup

Dizzy Pig Original Line

Dizzy Dust™

Dizzy Dust, our best-selling seasoning, possesses a fresh and unique flavor without straying too far from what folks expect from a BBQ rub. It has flavored hundreds of tons of food, and won countless awards.

Also available in Coarse Grind and salt-free.

Mild heat level

Pork, Poultry and More

Crossroads™

Dizzy Pig returns to the roots with Crossroads — a classic rub designed for American BBQ, and for a traditional balanced flavor on any food.

Mild heat level

Pork, Poultry, Beef

Tsunami Spin™

Inspired by flavors from the Far East, Tsunami Spin provides a carnival of meticulously balanced flavors without overpowering your delicate foods. There is nothing out there like it.

Mild heat level

Poultry, Seafood, Veggies

Raging River™

A tasty blend with a mix of pure maple sugar perfectly balanced with herbs and spices. Designed as an amazing salmon rub, but is extremely versatile.

Also available in salt-free.

Mild heat level

Seafood, Pork, Poultry, Salmon

Shakin' the Tree™

Unimpressed with commercial lemon pepper, we invented Shakin' the Tree. It's lemon pepper to the fourth power and it's good on just about anything you can cook on the stove or grill.

Mild heat level

Poultry, Pork, Seafood, Veggies

Happy Nancy™

Happy Nancy is a mild blend without chiles or peppercorns. Designed for sensitive taste buds, kids, and mild foods, Happy Nancy has bright, clean flavors that compliment just about everything. Mild doesn't have to be bland!

Mild heat level

Poultry, Seafood, Breads, Veggies

Cow Lick Steak Rub™

For beef, there is nothing like Cow Lick. This Texas style blend is a natural on steaks and hamburgers and makes a great sprinkle for fresh sliced tomatoes, eggs, or wherever you desire a peppery kick.

Medium heat level

Steak, Brisket, Burgers, Tomatoes

Red Eye Express™

A rich mix that offers a parade of flavors and aromas. An exciting blend of herbs and chiles is rounded out with the malty flavor of fresh ground coffee.

Medium heat level

Beef, Pork, Wild Game

Raising the Steaks™

Based loosely on the popular "Montreal Style" seasoning, Dizzy Pig's Raising the Steaks turns the original on its head with fresh ground seasonings. Amazing on beef, but quite versatile.

Medium heat level

Beef, Poultry, Seafood, Veggies

Pineapple Head™

A sweet blend with a memorable flavor and a little heat, Pineapple Head is loved and cherished by our foodie customers. It is amazing on grilled pineapple and fruit, but new uses are being discovered every day.

Medium heat level

Fruit, Desserts, Veggies, Seafood

Game On!™

Coffee provides a rich and malty backdrop for a custom blended collection of zingy spices, herbs and ginger that play a harmony on the tongue! It's delicious on just about anything that crawls, walks, flies, or runs.

Medium heat level

Venison, Duck, Beef, Wild Game

Swamp Venom™

With influences from Georgia to Texas, Swamp Venom is a deep South inspired concoction for those that like a ton of flavor and a good spicy hot kick!

Spicy heat level

Pork, Chicken, Beef, Seafood

Jamaican Firewalk™

This rub, with a huge peppery punch, is based loosely on the island tradition of "jerk". Jamaican Firewalk touts a hefty dose of ginger, habanero chilies, and Jamaican allspice berries.

Spicy heat level

Pork, Chicken, Seafood, Beef

Dizzy Pig "ish" Fusion Blends

Our "ish" Fusion Blends are region-inspired blends for pan searing and all types of cooking.

Fajita-ish™

With this seasoning, we've created the perfect blend and totally nailed the south-of-the-border flavor profile.

Medium heat level

Beef, Chicken, Seafood

Bombay Curry-ish™

Whether you are a curry fan or not, this blend is extremely versatile and both bright and earthy.

Medium heat level

Most Foods

Mediterranean-ish™

Captures the exotic and enticing aromas and flavors of Italy and Greece for your next cooking adventure.

Mild heat level

Meats, Veggies, Breads

Bayou-ish™

Capture the voodoo vibe in the sizzle of a cast iron pan or on a hot grill, as you sear spice-crusted fish, seafood, chicken, 'gator, beef, pork or veggies.

Medium heat level

Seafood, Chicken, Pork
