About the demo EGGs

You are purchasing a gently used cooker that will last a lifetime. Demo EGGs will be used for one day during DizzyFest on May 4, 2019. All EGGs include a nest, temperature gauge, dual function metal top, and a ceramic damper top.

To reserve your EGG, we require a \$100 non-refundable deposit. Your deposit will be charged on March 5th, or on the date of reservation if placed after March 5th. The remaining balance will be charged on April 24th. This is 10 days prior to DizzyFest.

All product choices must be made in advance on your order form. All sales and choices are final and unable to be changed after April 19th.

You will need at least a 36" vertical clearance in your SUV, minivan, or pickup truck to take your demo EGG home. **We will not load into passenger seat or side door.** Loading will not take place until all cookers have cooled. Please be patient.

All demo EGGs must be picked up by 6pm on the day of DizzyFest, or special arrangements must be made with a member of our staff to pick up the following week. **There will be an automatically charged fee of \$25 per week for demo EGGs left longer than 30 days at our facility.**
